## Let's Stand for the Land!

For Development and Peace — Caritas Canada's Create Hope : Stand for the Land campaign, our partner ERIC–Radio Progreso has asked that we support the defenders of human rights and the environment in Honduras. Since 2015, the communities of Guapinol and the San Pedro sector have been fighting to preserve their rivers and the Carlos Escaleras National Park from mining. To find out more, visit [devp.org/campaign](http://devp.org/campaign).

“Communities are displaced. Rights are violated. Access and rights to water denied. All this to give priority to the extraction and pillaging of resources.”

— Leonel George, member of the Committee for the Defence of Common and Public Goods of Tocoa, Colón.

Next weekend, we will have petitions available for signature to the Ambassador of Honduras.. Beatriz Valle to move forward with actions to support those who are Standing for Their Land , including an investigation to 3 advocates who were murdered.

Stand in solidarity. Sign the letter to the Honduran ambassador to Canada at [devp.org/act](http://devp.org/act).
